### YOUR INCOME TAX IS TEAR FOR KAISER

Grudging taxpayers should be few and very unpopular during the next six months, according to plans formulated by Internal Revenue Commissioner Roper for collection of about \$3,000,000,000 so-called Liberty taxes from more than seven million persons before next July 1.

"Smile when you pay your income tax; it means a tear for the Kaiser." This is one of the representative slogans which probably will be adopted in a nation-wide campaign to promote a patriotic spirit among taxpayers, most of whom will be subjected to a direct federal tax for the first time.

## Put Your Money Where You Can Watch It Grow

THE Portage Packing Company offers you the benefits of a safe, conservative investment—the kind a man can honestly recommend to his best friend.

It will deal in a product that practically everybody uses—fresh and cured meats; and it will sell these products in a territory where the present demand is often greater than the supply and where practically every pound is shipped in from a distance.

It is a home industry in the best sense—owned and controlled by people in your own neighborhood, and close by.

Put your money into the capital stock of the Portage Packing Company, and you will be putting it where you can watch it grow.

### Good Profits in Meat The Whole Year Round

At every season, there is a "hungry" market for one or more of the products of the modern meat-packing house, and we will be fully prepared to supply this market throughout the year.

Packing Companies earn proverbially handsome profits—some as high as 60% a year, others from 25% to 40%. In fact, we do not recall ever having heard of one that failed through the lack of a ready market.

### Plant Being Built Now; Practical Men in Charge

The Portage Packing Company is a going concern. Our plant at Old Portage, on the B. & O. near Akron, is under active construction, and before winter is over we expect to be slaughtering and shipping hundreds of cattle, hogs and sheep every week.

Every department will be in charge of a man who knows it from real personal experience—Plant, Building and Management, Buying, Selling and Shipping—all under trained, expert supervision.

## Get the Facts Now—Without Obligation

We want you to know what we know about the packing business and its future right here in the prosperous territory surrounding Akron and Cleveland.

We want you to see the future of The Portage Packing Company—its money-making possibilities—as we see them. We have real facts to lay before you—honest, man-to-man facts that you can prove out for yourself.

You owe it to yourself to get these facts—and your time is short. Make up your mind now to sign this coupon and mail to us; phone, or write us a letter; or—best of all—come to the office and get acquainted.

But don't delay; tonight or tomorrow may be too late. Better act now.
